

Lampiran 5

The screenshot displays the Scimago Journal & Country Rank website. At the top, the navigation bar includes 'SJR Scimago Journal & Country Rank' and a search box. The main header identifies the journal as 'ARPN Journal of Engineering and Applied Sciences' with a large '17' indicating its H-Index. A sidebar on the left lists journal details: Country (Pakistan), Subject Area and Category (Engineering), Publisher (Asian Research Publishing Network (ARPN)), Publication type (Journals), ISSN (18176408), and Coverage (2011-ongoing). The Scope section describes the journal's focus on engineering and applied sciences. Below the journal profile, there are three line graphs showing trends from 2011 to 2017: the first graph shows a fluctuating upward trend, the second shows a steady increase in a green area, and the third shows a sharp increase in a blue area. A legend for the third graph lists 'Cites / Doc. (14 years)', 'Cites / Doc. (5 years)', and 'Cites / Doc. (2 years)'. A widget for 'ARPN Journal of Engineering and Applied' shows a Q3 score of 0.19 and an SJR 200 score of 0.19. A user comment from 'Mahdi' dated '1 month ago' states 'I am sure this is a fake Journal. Just waste your time...'. The website footer contains a cookie notice and a 'Get it!' button.
